

From 1 January 2024, a new simplified charging structure has been introduced at Meadowvale Community Centre. The hire charges are in the table below.

We hope this makes it easier for people to quickly see costs for their event or celebration. When booking please request the times of the actual event. A 30-minute period either side of the booking will be blocked out to allow you to set up and clean up after your event included price. For party bookings and full day events we add a caretaker fee of £20 to your event.

For day events we will also hold a refundable £50 deposit upon booking to cover any breakages or damage. Payment terms are seven days before an event or upon booking if the event is within 7 days. Thank you for considering Meadowvale Community Centre for your event.
